JOINT ARMY - AIR FORCE  
CENSORSHIP TRAINING COURSE  
WASHINGTON, D. C.

14 MAR 1966

Mr. Lawrence K. White  
Executive Director-Comptroller  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. White

The Fifteenth Annual Joint Army - Air Force Censorship Training Course will be held at Otis Air Force Base, Massachusetts, during the period - 9 July through 22 July 1966.

The purpose of the training course is to advance the readiness of the National Postal and Travelers Censorship Organization as an element of National Censorship. There will be approximately 330 Army and Air Force Reserve Officers in attendance.

You are invited to send a representative from your office to this specialized course for the purpose of observing the training. It would be appreciated if your representative would present a 30 minute talk on 14 July 1966 relative to your agency's functions in connection with censorship. If you do not desire representation at the entire course, observation during the period 10 - 15 July 1966 will provide an excellent overview of the training.

Mr. Frank Blazer, Security Policy Division, Directorate of Security and Law Enforcement, telephone OX 6-2488, is project officer from this office.

Sincerely

VINCENT J. DONAHUE, Colonel, USAF  
Security Director  
Security & Law Enforcement, DCS
